Travel and Tourism

Travel Agent:

You are a travel agent. What city should people visit? Write the city. Write information about the city.

City: _________________________________
Population: ___________________________
History: ______________________________
Attractions: ___________________________________________________________
__________________________________________________________________________
__________________________________________________________________________
Foods and Specialties: : ___________________________
__________________________________________________________________________
Cost of Travel:___________________________________________

You are a tourist. Visit different travel agencies. Talk to the travel agents. Find the city that is right for you.

Questions to ask:

What is interesting about the city?   What are good tourist locations?
What foods can I eat there?  Is it expensive or cheap to travel there?

Compare three cities which is the best choice for you:

<table>
<thead>
<tr>
<th>City:</th>
<th>Pros</th>
<th>Cons</th>
</tr>
</thead>
<tbody>
<tr>
